DENTAL LEADERSHIP EXPERIENCE

Student Government Association (SGA) March 2018- May 2021
Nova Southeastern University
Executive President

- Hold periodic meetings with both the executive SGA officers and the class SGA officers of each year, to ensure all classes were running smoothly and properly address any class concerns

-
- Attended PanSGA meetings to represent the dental school and its concerns at the University level, and receive funding for our dental school
 - Represented the College of Dental Medicine on the Healthcare Professional Division Executive Board

Executive President-Elect

- Held monthly club meetings with the President and Vice President of every dental club, to ensure all clubs were in good standing and hosting monthly events as stated in the bylaws
- Recorded minutes from the club meetings, and updated club rosters for their member lists
- Presented club concerns at the monthly SGA meetings, to brainstorm appropriate solutions for the club leaders

D2 Class Secretary

- Attended monthly meetings with the Dean of Dental Medicine to discuss class concerns and implement appropriate changes to the curriculum when indicated
- Served as Liaison between the faculty and the student body, for addressing class concerns and ensuring information from faculty was disseminated to the class

Teaching Assistant (TA)

January 2020- Present

Nova Southeastern University

- Teaching assistant for 2nd year dental students in Pediatric Lab Course
- Provides hands-on training of basic clinical and laboratory dental procedures in a stimulation lab

Student Ambassador

May 2018- May 2021

Nova Southeastern University

- Represented NSU College of Dental Medicine during open houses, interview tours, and service events
- Highlighted the strengths of our Dental Medicine program to tour attendants
- Facilitated coordination of interview schedules between ambassadors and tour attendants

Quality Improvement Committee

November 2019- May 2021

Student Representative

- Represented student body in overseeing the quality of the dental care provided in the College of Dental Medicine Clinics
- The committee devises systems to collect data relating to quality of care, assess that information and make recommendation to the Dean for corrective actions

NSU American Student Dental Association (ASDA)

August 2017- May 2021

Membership Committee

- Promoted and organized the Annual "ASDA Week" with different companies and/or dental practices with the new members
- Delegated specific tasks such as promoting the events with flyers, reaching out to potential sponsors for donations, and event set-up

Psi Omega Fraternity

August 2017- May 2021

Social Committee

- Promoted and organized a variety of social events for the members of Psi Omega

DENTAL RESEARCH EXPERIENCE
